## Directions

**IMPORTANT PLEASE FOLLOW THE DIRECTIONS BELOW – IF YOU USE SAT.NAV. YOU WILL ARRIVE AT THE WRONG END OF THE DRIVE AND MEET A PADLOCKED GATE!**

From Stirling:

(Allow about 25 minutes from Stirling)

Take the A811 going west along the Carse.

Go through Arnprior and Buchlyvie.

Go across the dogleg junction at Ballat keeping on the A811. Keep going past Drymen.

After Drymen (bypassed) take the A811 which turns right at a junction sign posted to Erskine Bridge.

Keep going through Gartocharn.

After leaving Gartocharn the road rises up a gradual steady incline for about ½ mile at the crest there is “Z” bend sign – in the Z bend is a private road with chevron <<<<< signs beside it. The road is marked **Water Works**. Take this turning and proceed past the Water Works on right. You will see our Lorn Mill Cottages sign under a Private Road notice – keep going for about half a mile on a private unsurfaced farm track through woodland. Shortly you will see the most wonderful view of Loch Lomond. The track descends down to the **The Lorn and Mill Cottages** on your right. You have arrived!

We look forward to seeing you.
